I am having a "Downsizing" garage sale this weekend on Friday and Saturday from 7 am to 1 pm.

My daughter says it is time for my treasures to go, thus this sale.

She is right as I do "Gots da Stuff".

The family is now jumping into the fray and is including many family/clothing/home-related items as well.

It is going to be a really large event if the weather will allow it.

I will be parting with some fishing gear, tools and hardware galore.

I am even selling my two South American Machetes and their leather sheaths.

There are just too many collectibles for me to detail but I can assure you there will be much to view and consider.

There will be girl's clothing that my preteen granddaughters have outgrown.

Many home decoration items as well as my daughter's putting lots of stuff out to be sold.

We are the 16th home on the right on Grandin Ridge Drive.

Don't miss this sale. It is gonna be a doozie!

My daughter told me if I don't sell it or if the price is too large, she will buy it.
